Naming Opportunities

San Diego Oasis is an award-winning nonprofit organization with a track record of 37-years of excellence.

The mission of San Diego Oasis is to foster a positive environment for older adults to thrive by promoting successful aging through lifelong learning, healthy living, and community involvement.

With a disciplined approach of innovative programming and relevance, the Oasis team strives to understand and honor the wants and needs of today's elders. Oasis' intergenerational programming is at the heart of its mission.

Following the vision to launch the most comprehensive and technology-forward center of excellence for older adults in the country, Oasis purchased a physical location that would serve the highest concentration of elders within a 5-mile radius in San Diego. Virtual programs are available as well.

Mayor Todd Gloria declared the Grand Opening of Rancho Bernardo Oasis – June 24, 2023 – **San Diego Oasis Day in the City of San Diego**. County Supervisor Joel Anderson also dedicated June 24, 2023, as **San Diego Oasis Day in the County of San Diego**.

SAN DIEGO OASIS: FACT SHEET

San Diego Oasis is an award-winning nonprofit organization serving people 50+ throughout the San Diego region. Our mission is to promote healthy aging through a three-fold approach: lifelong learning, healthy living and intergenerational community service.

Our Impact: How We are Changing the World

- 1) We are solving social isolation, an urgent health issue in the rapidly growing older adult population;
- 2) We are changing the life course of low income students so that they are successful in life;
- 3) We are helping Bridge the Digital Divide for seniors in need who benefit from technology
- 4) We are not duplicating anyone else's work and we are changing the way people think about aging.

Current Membership is 58,900. Membership is free. Class costs range from free to \$25 per class.

Program Highlights

- **Lifelong Learning:** 4,500 in-person and online classes annually at our two locations (La Mesa and Rancho Bernardo) and more than 30 off-site locations.
- **Healthy Living:** workshops in fitness, dance, nutrition, life-style, and chronic disease management.
- **Intergenerational Tutoring Program:** trained volunteer tutors help at-risk children in grades K-4 build reading skills, self-esteem and positive attitudes toward learning. We serve Title 1 County schools, including San Diego, Chula Vista, La Mesa/Spring Valley, Poway/Rancho Bernardo, Ramona, Escondido, Encinitas, and Cajon Valley.
- **Travel Program:** day trips and extended trips are offered throughout the year.
- **Bridging the Digital Divide:** new tablets, training, internet, and free online classes are provided to low-income, isolated seniors who do not have any technology at home (1250 tablets as of 5/2025).
- **Technology Learning:** group workshops and one-on-one tech consultations are invaluable for our seniors.
